

Launch into Employment Program

Creating pathways to your future!

This program is designed to prepare and support you to launch into your career.

You will gain a better understanding of yourself, your qualities, attributes and be assisted to develop your own Career Pathway Plan with SMART goals – setting yourself up for success!

(ongoing one-on-one support is also available with Launchpad beyond the program)

Suitable for all working aged community members

Want to find out more - join us for a Meet & Greet Morning Tea on Tuesday 21st May @ 10.30am
